TEA & BEVERAGES

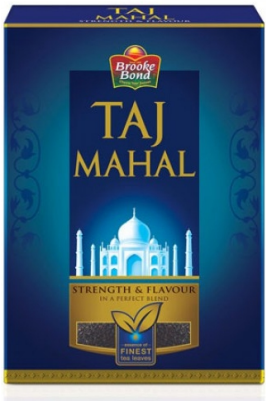

Tata Tea (Gold, Premium, Agni)
Red Label & Red Label Natural
Taj Mahal Tea, Taza Tea
Filter Coffee

Tea and beverages are an essential part of daily life across cultures, offering refreshment, relaxation, and social connection. Tea, one of the most widely consumed drinks in the world, is made by infusing leaves of the Camellia sinensis plant and comes in various types such as black, green, white, and herbal tea. It is valued not only for its taste but also for its health benefits, including antioxidants and calming properties.

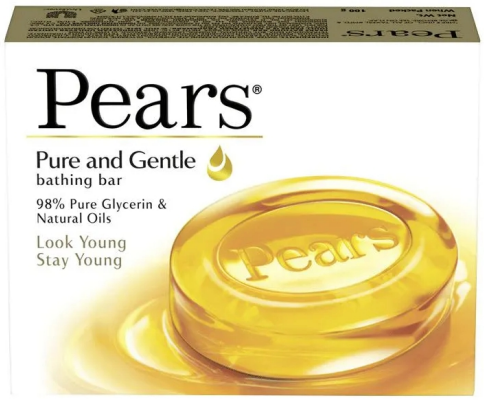

FMCG – PERSONAL CARE

- **Santoor Soap**
- **Medimix**
- **Pears**
- **Dove**
- **Mysore Sandal Soap**

Personal care soaps are essential FMCG products used for daily hygiene and skin care. They help cleanse the skin by removing dirt, oil, and germs while also providing benefits like moisturization, fragrance, and skin protection. Available in various types such as herbal, antibacterial, and beauty soaps, they cater to different skin needs and consumer preferences.

Ching's Noodles (All Flavors)

Ching's Secret noodles are popular instant noodles known for their Indo-Chinese taste and variety of flavors. They are quick and easy to prepare, making them a convenient snack or meal option. Available in multiple flavors like Manchurian, Schezwan, Hot Garlic, and Chicken, they offer a spicy and flavorful experience suited to Indian taste preferences.

NOODLES & PACKAGED FOOD

Maggi Noodles
(All Sizes & Flavours Available)

Maggi is one of the most popular instant noodle brands, loved for its quick preparation and signature taste. It is widely consumed as a convenient snack or light meal and comes in various flavors and variants. Known for its “2-minute” cooking concept, Maggi remains a favorite choice across all age groups.

SNACKS

- **Lays** (All Flavours)
- **Kurkure** (All Flavours)

Lay's and Kurkure are among the most popular snack brands, known for their crunchy texture and bold flavors. Lay's offers a variety of potato chips in classic and regional flavors, while Kurkure provides uniquely spiced, crunchy snacks with an Indian twist. Both are convenient, ready-to-eat snacks widely enjoyed across all age groups.

These products are known for supporting immunity, digestion, detoxification, and overall wellness. Rich in herbal and plant-based benefits, they are widely used for maintaining a healthy lifestyle naturally.

COOKING OILS

Soybean, grapeseed, sesame, sunflower, almond, coconut, olive, mustard, canola, peanut, rice bran, avocado, palm, and corn oils are widely used edible oils in cooking. Each oil offers unique flavors and health benefits, such as heart health, good fats, and essential nutrients. These oils are used for frying, cooking, and dressing, making them an important part of daily diets.

PROCESSED & FROZEN FOOD

Processed and frozen foods like ketchup & jams, frozen sweets, Amritsari kulcha, and snacks offer convenience and longer shelf life. These products are ready-to-eat or easy to prepare, saving time while maintaining taste and quality. They are widely preferred for quick meals, desserts, and everyday snacking.

GROCERIES

Our range of quality food essentials includes Jaggery (Gur), Pani Puri Pellets, Ragi Flour, and Idli Rava, carefully selected to bring both taste and nutrition to your kitchen. Jaggery is a natural and healthy sweetener, rich in minerals and perfect for daily use. The crispy pani puri pellets let you enjoy fresh, street-style snacks anytime at home. Ragi flour offers a nutritious millet option packed with calcium and fiber, ideal for healthy meals like roti and dosa. Idli rava ensures soft and fluffy idlis with authentic taste, making it perfect for traditional South Indian recipes. Together, these products provide a perfect blend of health, convenience, and delicious flavor for everyday cooking.

GAME EQUIPMENTS

Our collection of Sports Equipment and Kitchen & Home Appliances is designed to support both an active lifestyle and everyday convenience. The sports equipment range includes quality products for fitness, games, and outdoor activities, helping you stay active and energized. Alongside, our kitchen and home appliances such as induction-friendly roti tawa and dosa tawa are crafted for efficient cooking, durability, and ease of use. Whether you're focusing on health, recreation, or smart cooking, these products offer the perfect balance of performance, comfort, and reliability.
